

Aboo ! The Land Of Abba

Time and again

This heart relishes thy Solitude,

O Abu ! Thy sacchariferous melody bewitches me.

At times I find myself lost in the Divine ambience of Gurukul;

At other times, the silent Anadra Point reminds me of the vastness of thy Glory.

Hours have I spent strolling the Polo Ground amidst the opening phases of Lockdown ;

Umpteen perambulations of Nakki often took my spirits away from this ephemeral world.

The pindrop silence and sibilance of Peace Park ushered me in the realm of silence;

The morning spent in Shaitan Singh Park often filled me with the other- worldly elysium.

The refreshing Amritvela at the zenith of Gurushikar left me bodiless more often than not;

And the depth of Gaumukh sank me into mine own limitless depth of soul.

The terrace of GHRC,

The garden in front,

The Amritvela and the evening Meditations in OPDs - all took me away from the world of lecturing and classes....

The Sunset point,
The Sungazing from Toad Rock,
The Bare foot walk in the unnamed & various grounds of thy land,

Oh Abu ! Thy every nook and corner fills me with an unearthly bliss.

The Gandhi Vatika,
The Vivekanand Udyan,
The Funeral premises,
The Silence of Brijkothi,
The Divinity of vipassana centre,
The unknown gardens,
The untrodden Rocks,
The Bottomless valleys,
The distant farms,
The unvisited temples,
And many more wonders of thine have time after time
Trapped my soul and heart...All merging me with the depth of my Being!

O Abu, you steal me away from the worldly consciousness:

Every moment is divine here,
Every breath magical....

The Alchemy of thy Love flows through me,
Thy divinity enchants me,
I have fallen in love with u !

Oh Dear Mount Abu, the land of my Father's descent,
I love you with all my heart and soul and passion,
Just as I love my Heavenly Father !

The spark of Madhuban,
Is, as it were, felt at all places of Abu;
As if A Spiritual Echo reverberating and resounding eternally in
this Aboo - The land of Abba !
